**Procedure of registration for importation of Maize into Sri Lanka**

1. Under the provisions of Animal feed Act No 15<sup>th</sup> of 1986 and Animal Feed act (amended) No 15<sup>th</sup> of 2016 and its regulations every importer shall obtain a registration license from the Registrar/ Animal Feed, Department of Animal Production & Health prior to import any animal feed raw material/ animal feed or feed additive.

2. Following documents must be submitted to (Hard copies only) to Registrar/Animal Feed, Department of Animal Production & Health to obtain registration license.

A) Application A – Application A can be downloaded from Registration-> Animal Feed-> New Animal Feed Importer registration.

B) Certificate of Analysis which obtained from a accredited laboratory in exporting country

C) Labels in all three languages

D) Business Registration of the Applicant

E) Details of the warehouse location (Local)

F) If the warehouse is rented/lease, applicant should provide rented/lease agreements.

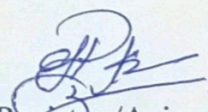

G) Payment 1830/= for one particular product.

H) Any other relevant documents as requested

3. After submitting the documents along with the payment warehouse will be inspected by the authorized officers of Department of Animal Production & Health.

4. After the inspection applicant will or not be issued registration license to import maize.

\* Please note that the inspection will be done after submitting the completed documents and it takes maximum 2 months of period for the inspection of warehouse.
